

## LEAPING FORWARD ONCOLOGY SIMULATION IN ONCOLOGY SESSION

### PROGRAMME

**9 MAY 2017 > AUDITORIUM 3**

- 02:15 PM** Opening & registration
- 02:30 PM** Welcome and Introduction  
Francisca Leite (PT)
- 02:45 PM** Innovation in Biomedical education  
Madalena Patrício (PT)
- 03:15 PM** Educational technology and innovations to training and patient care using simulation  
Fernando Bello (UK)
- 03:45 PM** The impact of simulation on translational patient outcomes  
Nuno Freitas (PT)
- 04:15 PM** F1 tech in the outside world – How Williams’ pit perfection can improve healthcare teams  
Gemma Fisher (UK)
- 04:45 PM** **Coffee Break**
- 05:15 PM** Cancer and the medical simulation center – The MD Anderson’s experience  
Gregory Botz (US)
- 05:45 PM** Post simulation era in medicine  
Richard Satava (US)

**06:15 PM** Closing remarks  
Francisca Leite (PT)

**Directors:** Francisca Leite | Rui Maio

**Faculty:** Fernando Bello | Gemma Fisher | Gregory Botz | Madalena Patrício | Nuno Freitas | Richard Satava
