

LEAPING FORWARD ONCOLOGY HEMATOLOGY SESSION

PROGRAMME

13 MAY 2017 > AUDITORIUM 3

- 08:15 AM** Opening & registration
- 08:45 AM** Welcome and Introduction
António Medina Almeida (PT)
- 09:00 AM** Novel molecular technologies for hematological malignancies
Carmo Fonseca (PT)
- 09:40 AM** Diffuse large B cell lymphomas:
new insights in molecular subtyping and next treatment paradigm
Maria Gomes da Silva (PT)
- 10:20 AM** Follicular lymphoma: molecular pathogenesis and the role of microenvironment
José Cabeçadas (PT)
- 11:00 AM** Coffee Break
- 11:30 AM** Mutations in myeloid neoplasms: insights into pathophysiology
and novel treatment options
António Medina Almeida (PT)
- 12:10 PM** Closing remarks
António Medina Almeida (PT)

Director: António Medina Almeida

Faculty: Carmo Fonseca | José Cabeçadas | Maria Gomes da Silva
