

## LEAPING FORWARD ONCOLOGY NEURO ONCOLOGY SESSION

### PROGRAMME

### 13 MAY 2017 > AUDITORIUM 2

- 01:45 PM** Opening & registration
- 02:00 PM** Welcome and Introduction  
Luísa Albuquerque (PT) | Domingos Coiteiro (PT) | Francisco Mascarenhas (PT)
- 02:15 PM** Advances in molecular pathology of low grade gliomas  
Chairman: Manuela Mafra (PT)  
William Yong (US)
- 02:45 PM** Surgical treatment of diffuse low grade gliomas  
Chairman: Domingos Coiteiro (PT)  
George Samandouras (UK)
- 03:15 PM** Therapeutic approaches with radiation therapy in diffuse low grade gliomas  
Chairman: Telma Antunes (PT)  
Stephanie E. Combs (DE)
- 03:45 PM** Diffuse low grade gliomas: the vision of the neuro-oncologist  
Chairman: Luísa Albuquerque (PT)  
Martin van den Bent (NL)
- 04:30 PM** Coffee Break
- 05:00 PM** Round Table | New concepts in the management of low-grade gliomas  
Chairmen: José Bravo Marques (PT) | Eduardo Netto (PT)
- Advances in surgery  
George Samandouras (UK)

Advances in radiation oncology  
Stephanie E. Combs (DE)

Advances in neuro-oncology  
Martin van den Bent (NL)

Advances in molecular neuropathology  
William Yong (US)

**06:30 PM** Closing remarks  
TBD

**Directors:** Domingos Coiteiro | Francisco Mascarenhas | Luísa Albuquerque

**Faculty:** Eduardo Netto | George Samandouras | José Bravo Marques | Manuela Mafra | Martin van den Bent | Stephanie E. Combs  
Telma Antunes | William Yong
